Wildlife rescue: Call Acres hotline

I REFER to the letter by Ms Angela Tang ('Passing the buck on snake menace'; last Thursday).

Acres would like to draw attention to our 24-hour Wildlife Rescue Hotline on 9783-7782. In cases where wild animals need to be moved or are found injured, Acres can be called upon to render assistance.

In addition, at the Acres Wildlife Rescue Centre, we are able to take in rescued reptiles and amphibians in need of care.

More details are available on the website www.acres.org.sg
